- trustees' consideration of major risks and the system and procedures to manage them.

Trustees are made aware of the Constitution and the policies on Safeguarding and Equality & Diversity and of the three Charity Commission guidance documents on public benefit PB1, PB2 and PB3.

The Pilton Green Man CIO is the umbrella organisation for three Sub-Committees running the Pilton Green Man Day in July, Pilton Theatre Productions running the Pilton Panto in February, and a Sub-Committee running fundraising for the Friends of Manning's Pit. At least one trustee is an active member of each Sub-Committee.

Pilton Theatre Productions successfully put on a pantomime in February 2020. Before the COVID-19 pandemic lockdown, Pilton Green Man Day in July 2020 had already been cancelled by the Sub-Committee..

The three operating sub-committees carry out detailed risk assessments of their operations and also prepare detailed event management plans as appropriate.

## Section C

## Objectives and activities

**Summary of the objects of the charity set out in its governing document**

To promote good citizenship for the public benefit by facilitating the development of a volunteer force to assist the community, in particular but not exclusively those members of the community who are in need, in such ways as the trustees may from time to time decide. To advance such charitable purposes (according to the law of England and Wales) as the trustees see fit, in particular, but not limited to, the promotion of the arts and advancement of education in the history of Pilton, primarily but not exclusively, for the benefit of the people of the Pilton ward of Barnstaple, Devon and will be achieved through the making of grants or providing other support.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

The trustees usually meet four times a year to ensure that the organisation of the Pilton Green Man Day, the Pilton Panto and fundraising by the Friends of Manning's Pit are satisfactory and to consider applications for awards and the completion reports from projects to which awards have been made.

We confirm that the trustees have had regard to the Charity Commission's guidance on public benefit.

**Additional details of objectives and activities (Optional information)**

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The charitable objectives are met by making small grants available to community organisations, charities, groups and individuals to carry out projects which will benefit the people of Pilton. The geographical area of Pilton covers the area approximately from the ND District Hospital to Pottington and from Bradiford to Raleigh and Yeo Vale and there is a resident population of around 5,000.

Since October 2019 the Trustees have also supported the raising of funds by the Friends of Manning's Pit Sub-committee for the possible purchase for the community of 21 acres of land in Pilton known as Manning's Pit. In connection with this the CIO also registered with HMRC to enable the collection of Gift Aid on monies donated.

## Section D

## Achievements and performance

### Summary of the main achievements of the charity during the year

In 2020, two grants amounting to £700 were confirmed but neither was taken up during the year:

#### Remedial Work on the Bells of St Mary's Church

An award of £500 was made to the Bellringers of St Mary's Church, Pilton, towards essential repairs to the bell frame which is in need of cleaning and corrosion protection. This will cost a total of £18,000 which is being raised by the bellringers who are also going to provide labour to reduce the cost from £30,000. This work will put the bells into first class condition so that, with normal ongoing maintenance, they should serve Pilton Parish well for many years to come before major work is again required. The last time work was done on the bells was in 1969-70 when one was removed for restoration although no bells will be removed this time. If the work were not to be carried out, the bells will eventually have to cease being rung for safety reasons and would rapidly become part of history.

#### Award to Kai Chappell

An award of £200 to help with the cost of a trip to Kira Farm, Uganda, was also approved in 2020. Kai Chappell, who lives in Pilton, was expecting to travel to Kira Farm, near Kampala, Uganda, during the visit of the group from Pilton Community College in October 2020. Kira Farm is a development for young people coming from deprived and abusive backgrounds, which teaches them life and career skills.

#### Friends of Manning's Pit Campaign

During 2020, £158,836 was raised towards the Friends of Manning's Pit Campaign to 'Buy Manning's Pit' for the community.

#### The Outcomes of the Pending Awards

Because of the COVID-19 pandemic the work on the Bells of St Mary's Church was postponed and is now expected to be carried out in 2021. For the same reason, Kai Chappell's trip to Uganda has been postponed.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

The reserves policy of the CIO is to hold a sum equivalent to the loss which might be incurred in a worse case of complete washout of the Pilton Green Man Day, about £8,000.

### Details of any funds materially in deficit

There are none.

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity's only source of funds for grant awards in 2020 was the profit of £631 made by Pilton Theatre Productions in February. There was no Pilton Green Man Day.

There have been no community awards within or related to Pilton in 2020 because of the COVID-19 pandemic.

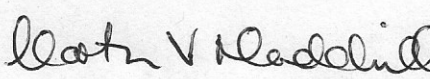

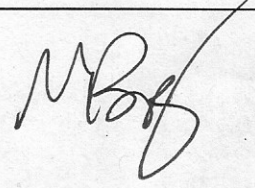

During 2020, the Friends of Manning's Pit Sub-Committee raised £158,836 towards the possible purchase of Manning's Pit. However, the majority of this money would have to be refunded to donors if the ultimate purchase of the land is unsuccessful.
