Dear Residents

If you park a car on Pilton Street, it would be very helpful if you would move it out of the Street by 8am on the day to allow setting up of stalls and stages to begin. **Please note that access to Pilton House up the back lane on the east side of the Street may be required for emergency vehicles during the day so please park thoughtfully.** We apologise for any inconvenience Pilton Green Man Day might cause you and thank you for your patience.

Pilton Green Man Day Committee

PLEASE HELP KEEP THE GREEN MAN SAFE DON'T BRING GLASS OR BOTTLES!

PLEASE SUPPORT YOUR GREEN MAN DAY

Each year we need to raise around £8,000 to hold Green Man Day. This money pays for insurance, licences, road closures, toilets, waste and recycling, first aiders, entertainers, PAs and so on. Everything else is run by volunteers, for free.

You can make sure we have enough money to fund our next Green Man day by:

- Buying a drink at our Beer and Pimms Tents in Rotary Gardens
- Buying a Green Man wristband or T-shirt at the Info tent
- Buying a re-usable "Green Man" cup

THE REFORM INN & BEER FESTIVAL

AT THE BOTTOM OF PILTON NEXT TO THE BOTTOM STAGE IS THE REFORM INN. POP IN FOR A BIT OF REFRESHMENT OR HEAD OUT THE BACK TO THE SKITTLE ALLEY TO TRY A FEW OF THE FANTASTIC RANGE OF REAL ALES - SOME LOCALLY BREWED, SOME FROM FURTHER AFIELD!

Pilton Green Man trust helps buy Manning's Pit for the Community

Pilton Green Man Day is now the principal fund-raising activity of the [Pilton Green Man CIO*](#), a charitable trust which aims to benefit the people of Pilton by funding small community projects.

The trust successfully joined with [The Friends of Manning's Pit](#) to buy the 18 acres of magical countryside on the edge of Pilton known as Manning's Pit to safeguard it from development. The land is not only magical but also beautiful and rich in wildlife.

If you have an idea for an award from the trust, please visit the CIO pages of the piltonfestival.co.uk website or talk to a trustee.

The trustees are Martin Haddrill, Marc Brayley, Susan O'Grady, Siobhan Roissetter, Esther Davies, Vernon Clarke, Bryn Rees and Wendy Robinson.

*CIO means Charitable Incorporated Organisation, a simple form of trust.

Pilton & Green Man Day

Pilton is a self-contained community within Barnstaple which enjoys a unique village atmosphere. The Festival is in the tradition of the legendary charter granted by Edward III in 1344 for a market and fair in Pilton and today it continues to provide a great spectacle of fun, festivities and feasting for people of all ages. It also serves as a valuable platform for local charities to raise awareness and funds.

The Festival is non-profit making and we are eternally grateful to the generosity of everyone who has sponsored and supported the committee's fundraising. Please support our advertisers throughout the coming year as without them we could not produce this programme or festival.

If you feel you are able to help with the next festival in any way please contact us via our email piltonfestival@gmail.com.

GREEN MAN DAY BEGINS...

Up with the lark are the committee and their helpers to set up Pilton Street, Rotary Gardens and the stages. Bins to put out, marquees to erect and participants to be directed to their positions for the day.

THE PROCESSION

The Procession starts at 11.00am on The Square in Barnstaple. Accompanied by the fabulous Samba Baia, we make our way through the town centre entering Pilton at the bottom of the street. We process up Pilton Street and turn right into Rotary Gardens ready for the first performance of The Pageant at 12.00noon.

All are welcome to come and join in - look for the large Green and Red masks leading the way!

THE PAGEANT

(12.00 noon & 3.00 pm in Rotary Gardens)

The Green Man is an ancient Pagan symbol of nature and fertility frequently depicted in carvings in old churches as a face sprouting foliage. A splendid green man carving can be seen in St Mary the Virgin Church in Pilton.

The Prior of the Benedictine Priory of Pilton lived in Bull House below the church until the Reformation. The ritual enacted on Green Man Day is believed to represent the initial antagonism of the two characters, The Prior and The Green Man, represented by red and green masks and the subsequent inclusion of the pagan figure within the church. It takes place in the arena at the top of Rotary Gardens.

# REMEMBERING FRIENDS OF PILTON

## Anne Featherstone

Pilton has just lost one of the world's most beautiful souls. Anne Featherstone was truly a child of the universe. The amount of good that she brought to the world, the number of broken bodies she fixed, and the countless minds she put at ease are astonishing. She had the remarkable gift of having all the time in the world for everyone equally. She gave that time to encourage, to inspire and to heal. No one could leave an encounter with her without feeling more wholesome as a result of it. Holistic by nature, she could effortlessly get to the root of people's problems. With each patient, it was less about the physiotherapy and more about helping to heal the emotional and psychological wounds that can come with long term injuries. She wove her love of nature into her every day, and could often be found by an open window at 4am in summer, cup of tea in hand, listening to the dawn chorus.

She was not only a strong woman, but also a woman whose mind was at peace with the world. This strong, calm, beautiful mind was a place of refuge for many hundreds, if not thousands, of people over the years. Her love of food and love of feeding people were also another wholesome string to her bow. The world is just not the same without her, but to all those whose lives she touched, you should carry on her legacy of goodness.

- Mike Featherstone

## Liz Eveleigh

I first met Liz almost 25 years ago in the back of Albert's shop where we were making costumes for Pilton Festival, and we remained friends ever since. Liz was a skilled seamstress, and over the years she made 100's of costumes for the Festival and pantomime! Liz was a key contributor to the Pilton community spirit and was known and loved by everyone.

She was on the Festival Committee for many years, helping to organise the Festival, and also a Church Hall Committee member, and during that time was heavily involved in the refurbishment of the Church Hall.

Liz was always there to support and help with the running of community social events. Both Liz and Jim, her devoted late husband, were great fun to be with, and we have lots of happy memories from those times. Above all Liz was a good, kind, gentle, caring, wonderful person, and a special friend to many people, we will miss her terribly.

# Pilton Street &

Central to Green Man Day is Pilton Street, with the hustle and bustle amongst the stalls, the arrival of the procession and a day of music from the three stages.

In recent years, festivities have expanded into Rotary Gardens, a fantastic setting for our family-based activities.

## Play...

The hugely popular Captain Coconut will be performing from 10am, and we welcome superb storyteller Roy Goddin to the Gardens. In the afternoon Dave Hendy will perform his Punch and Judy show, and Roy will return with more magical tales. There's a children's soft play area at bottom of Pilton Street.

## Eat...

There is space in Rotary Gardens for you to sit and chill out. Bring a picnic or buy something from one of the food stalls, including Monty's Caribbean Kitchen, Atlantic Grill burgers, and the Garden Box; selling vegetarian and vegan food. Other vegetarian and gluten free options also available.

Local food businesses can be found in Pilton Street, providing fish and chips at The Pilton Fryer, BBQ food at the Yeo Dale and The Greenman.

Room for dessert? Try Cornish Crepes (with gluten free options) in the Gardens, or Hockings Ice Cream Van at Pilton House. Burridge Family Bakes provide a delicious assortment of cake at the top end of Pilton street.

On a more practical level, along the North Road side of the gardens will be the portaloos, a facility not to be sniffed at.

Browse...

Take your time to browse the stalls in Pilton Street and Rotary Gardens - there's something for everyone to enjoy!

Keep...

We need to make about £8,000 to cover the costs of Green Man Day. Remember to keep us going by buying a pint at the Green Man Beer Tent or a Pimm's from our Pimm's tent - all profits go to future Green Man Days!

# STAGES 2022

Pilton Green Man Day has evolved over the years and we have been lucky to have some amazing bands to entertain the crowds. This year we have again sourced our acts for the bottom (main) stage from the musical support we receive locally. It gives us a chance to showcase some of our rich local talent whilst giving the performers an opportunity to play in their own community.

## BOTTOM STAGE

Another amazing line-up pulled together by Neil Rolfe.
